RESULT OF TALK WITH ☐ IN STC.

Operational clearance is necessary for Rastikis. CSU regulation 10-4 states that such clearance is necessary for anyone who is placed in a position of trust and is in a position to negate our operations. Technically he should not have a contract without such clearance but in this case it is okay by M. as suggests that Rastikis be asked to answer the questions and that they be submitted to STC just for the record. There is no complaint on the part of Mr. M. and he simply wants this info for the records so that there will be no trouble in the future.

I suggest that you attempt to get this info. while in London and bring it back.
